Connect Wallet

“The Scribes” NFT is ready to MINT with automatic enrollment into the academy. This is going to be an AMAZING journey into a new #verse! 😊 WAGMI!

The Web3 Writers Academy was created and developed by eMarketing Guru Nick Usborne to fulfill a great need for writers in this space.

Though cryptocurrency is still a bear market, legacy companies and native companies of this space are in dire need of writers who understand the lingo.

Writers who have already grasped the concept of writing are best suited for this new role.

Copywriters, content writers, and story tellers are all needed.

Web3 Writers Academy will help you bridge the gap with what you already know to the world of Web3 seamlessly.

When you purchase your NFT – “The Scribes” you will have access to the Academy. Some of the perks of joining the Academy are: Job Listings on the Discord Server; Whitelisting for some partner NFTs; Discounts for future courses; Be a part of an elite group of writers that are able to meet Web3 demands.

You’ve made the right decision if you want to be a part of something new, exciting with exponential growth. Click the link below to MINT and Join us!

The Discord Welcome Announcement

Hey there! Welcome to Nick Osborne's Web3 Writers Academy!
We're excited to have you here in the Discord Server.

You can access this Discord Server through the laptop/desktop, smartphone, or the app through any browser.

So, make yourself at home and explore your new surroundings. Explore the navigation and all the channels on the left side of the Discord application.

In here, you will learn priceless knowledge about Web3. You will learn how to best assist your clients in this new arena, engage like a PRO and have fun with it. WAGMI (we're all gonna make it)!

Please [#introduce yourself](#) to your new classmates and share what you're looking forward to learning.

And if you like, you can [#degen-follow-degen](#) and share your Twitter account so we can follow each other. Because everyone could use support.

You will find important [#announcements](#) in that channel. You will find important [#official links](#) that you should keep handy.

So happy you're a part of this elite group! Can't wait to get to know you better and help you with your journey into the world of Web3!

Nick

"This is going to be an amazing journey for all of us! "

Web3 Certification Assignment 8/11/2022

The Press Release

For Immediate Release

Media Contact – Nick Osborne, nickusborne.crypto, 1-604-123-4567,

Web3 Writers Academy is Launching their Online Academy on September 12th – 16th from 5 pm – 7 pm

Be one of the first 100 registered attendees for this in demand writing skill that's sure to propel your writing career in the blockchain arena!

Who: eMarketing Guru Nick Osborne will be teaching the class. He is a Master online copywriter and site optimization expert with over 40 years experience in the marketing industry. Has worked for with hundreds of companies including Disney, AOL, The New York Times, Yahoo! Author of critically acclaimed book "Net Words: Creating High Impact Online Copy."

What: Web3 Writer's Academy is the first online writers training for the blockchain thus far. This training is specifically for copywriters, content writers, and story tellers.

Why: There's a great demand for writers in Web3 who understand the process and the lingo which can be applied in many writing genres across the board.

When: Begin's on Monday September 12th – September 16th from 5 pm – 7 pm.

Where: The classes will take place in Zoom. But the community and conversation will take place on Discord and Twitter.

Cost: The Cost of the class is \$1,000 after the purchase of our Mascot "The Scribes" NFT for roughly \$50 on Discord. After you purchase the NFT you will have lifetime access to the Web3 writing course.

Contact: Nick Osborne, nickusborne.crypto, 1-604-123-4567,

About Web3 Writers Academy

Web3 Writers Academy was established in 2022 to meet a rapidly growing need for copywriters, content writers and story tellers in this space. Companies need writers to write for their blockchain products. Nick will provide you with all the knowledge, tools, and insights you'll need to be successful in Web3. Students will also have access to the Job listings on the Discord Server, Whitelisting for some partner NFTS, and discounts for future courses. There are other perks that will be introduced during the course of the class. Membership has its privileges. The first 15 students to register will receive an early bird entry into a Whitelist NFT raffle on Whop!
